**ORDER ON MOTION FOR EARLY TERMINATION
OF SUPERVISED RELEASE**

The defendant's motion for early termination of supervised release is **DENIED** at this time, but without prejudice to a later such motion if the defendant continues to comply with the conditions of supervised release.

According to Bureau of Prison records, the defendant began his five-year term of supervised release on June 18, 2010. Thus, he is only four months over the halfway mark on his term. I am pleased to hear that he is compliant, with no violations; that is a good sign, and I applaud him for that. If the defendant maintains his clean record, he can file a later motion for early termination.

SO ORDERED.

DATED THIS 16TH DAY OF APRIL, 2013
